Says Liberals Will Do More On The Roads

Mr. Newman Says Modern Machinery Will Be Used To Do The Work

DO MORE ROADS

Montreal went back to Ottawa and Monday night, in the presence of William Newman, Liberal member of Parliament for Victoria and Halton, there were excellent crowds at both meetings and the campaign trail was discussed by able speakers.

A. Cameron Hall, Ottawa, St. Maurice, of Ottawa, president, Les Beiges, of Lindsay, gave a detailed account of the work of the Ontario Highway Commission. Mr. McGill made a few remarks with regard to the question and the problem with which the people were faced.

Mr. Newman charged the present situation with great extravagance in order to furnish the people money at Queen's Park, the expense of Howard Ferguson, and the taxmen-Governors of the province. He told the Cabinet Ministers raised their own salaries from \$4,000 to \$10,000 and the salaries of the Ministers of the Government are more than a million dollars a year.

Mr. Newman said that the Ontario Highway Commission had only \$30,000 to look it. He said that the Ontario Highway Commission had only \$30,000 to look it. He said that the Ontario Highway Commission had only \$30,000 to look it.

He was doing a few months ago with a leading Montreal scientist, who has been to the examination his lack of goldfish. The professor, a brilliant man, proceeded to be deeply concerned about the goldfish, and after a good dinner refused to take time to his laboratory and away from it. He was started for home, but his business required him to see the goldfish. After a while, a policeman came along and said: "What was the goldfish doing in my house?" "It was looking for a goldfish," answered the professor.

Y. P. MEETING AT MINUS AT PINE DALE DRIVER GOES DOWN HILL

PINE DALE, June 9.—(Staff Correspondent)—The regular meeting of the Young People's Society was held in Friday evening of last week at the closed room of the church.

The meeting was conducted in usual way. Mr. Penridge gave a devotional talk on "Impermanence," and was given by Miss Mary Foster gave a concert.

After the service the husbands of Mr. Oliver Hestler met after supper on Friday evening for practice for the annual

Has Anniversary

The annual anniversary service of the Y held on Sunday, June 10th, with the usual large attendance. The Rev. Mr. Smith, of Pine Point, addressed the children in the morning, and after their going to the Y, sang anthems and the Mrs. Penridge rendered a solo after the service.

The Rev. Mr. Job, of Brookville, followed with a very inspiring sermon, and evening

and evening service again gave very stirring address, with a quartet singing of Mr. and Mrs. O. Penridge. Mr. Penridge and Mrs. Penridge rendered an anthem of "Ready Light."

Liberal officers throughout this riding have talked of "Maladministration of Hydro" and Mr. McNevin, one of Mr. Newman's supporters, has challenged L. M. Frost to a public debate on the question, "Should we be passed upon by a Commission of High Court Justices in 1932 and a public debate on the question, 'Should we be nothing less than a waste of time.'"

We invite our opponents to read the findings of Mr. Justice Riddell and Mr. Justice Sedgewick on the subject.

The Royal Commission, composed of the above judges heard the following representing the Liberal Party: Mr. Slaght, Mr. Penridge, Mr. Penridge, W. E. N. Sinclair, Mr. C. K. Nixon and others. The evidence was carefully noted. The judges (page 1) report that the above mentioned, representing the opposition:

"Were given full liberty to cross-examine witnesses and to have witnesses subpoenaed who might in their opinion give relevant evidence. We publicly requested persons having any relevant information to submit the facts so that they might be investigated. No communication wanting further investigation was received by us."

The findings of the Royal Commission completely absolved Hydro and the Conservative party from the reckless and unfounded charges of mal-administration.

The following is a direct quotation from the Commissioners report (page 11):

"We find that in respect of the matters investigated into the business and dealings of the Commission and its staff have in every respect been conducted on the highest business principles and with great skill and rectitude."

These findings were an unpleasant disappointment to Mr. Penridge and some of his followers, but the people of Ontario are delighted at the complete vindication of the great public utility Hydro System and are not interested in hearing Liberal officers raking over coals which have long been expended.

THE PUBLIC ARE INTERESTED IN THE FOLLOWING

The Liberal party admittedly sold public water power to private interests for a sum of \$100,000,000. Power Corporation and established a tollgate collecting no more than \$720,000 on campaign funds. Mr. Penridge has said that the Liberal party had no campaign funds were handed over to the Ontario Liberal Party of which Mr. Newman is a candidate for Election purposes. The public are interested in hearing the receivers of this great sum of money given for betrayal of the public interest. The Liberal party has no ownership enterprise in the world. Rather the public is interested in the views of Mr. Newman and Mr. McNevin. This public utility is owned by Mr. Newman and his supporters now have the floor.

Hereunder is a letter from J. W. MacMillan, well known local contractor, who personally examined the buildings and sites on Saturday, June 9th, 1934. The letter speaks for itself:

58 Russell St.
Lindsay, Ont.
June 11th, 1934.

L. M. Frost, K.C.,
Lindsay, Ontario.

Dear Mr. Frost:

In response to your request, I went to the Ontario Mental Hospital on Saturday, June 9th, and was shown over the "Orilla Barn" which consists of some seven buildings, by M. H. Braden, the contractor, who built them. Mr. Braden also gave me the plans and specifications which I have carefully studied. The work was awarded the contract for the erection of the seven farm buildings at a contract price of \$25,300 and I have no hesitation in saying that if I had been tendering my price would have been higher and in my opinion the buildings are well worth the money paid for their erection.

I also examined the two sites built one at each end of the main building, both of which are 45 ft. high and built in diameter and built of reinforced concrete and I am satisfied that the contract price of \$3,000 paid by the Government to E. Webb & Sons was well worth the money.

I note that it is reported that Mr. Newman says the buildings could have been built for \$5,000 or \$3,000, and the farms for \$300 or less. In my opinion, as a contractor of eighteen years experience, neither the seven farm buildings nor the two sites could have been erected for less than the contract price.

Yours very truly,
J. W. MacMILLAN,
Contractor.

Beaverton Boy Has Enjoyable Birthday Party

BEAVERTON, June 28.—(Staff Correspondence)—Mastor James recently celebrated his seventh birthday recently by entertaining twenty of his young boy friends and his little sister Joy, being the very girl making a party of twenty-one. And what fun they had! Games of all sorts, and the house was decorated with balloons, floating high in the air, making a very pretty effect. And the "goodies" which young James' mother and his friends, Mrs. Beaverton, prepared for that day, will be long remembered.

A special feature of the day was a parade, "Follow Your Leader" taking them to Mrs. Fisher's drug

store where each one received a double barrel ice cream cone, and then returned to play games. The happy day will ever remain as outstanding one in the young lives of those who were there.

Change Church Hour
 The Rev. Mr. Aikman, of Coquitlam, occupied the pulpit of St. Paul's Anglican Church on Sunday afternoon last, and the offering, and the members of Beaverton No. 129, L.O.L., attended. A splendid sermon was delivered, and Mr. Pick made the beautiful solo, "Jesus Love of My Soul." During July and August the service will be held at eleven o'clock in the morning.

Attended Reunion
 Mr. and Mrs. Angus Grant of Thurstall attended the reunion of the O.A.C. on Friday June 22nd. It is twenty years since the class, and a good time was reported.

Anglican Church Tea
 The Anglican Church Tea which was held at the home of Mrs. Gordon Clark on Friday afternoon last, was a decided success. The dainties served were very delicious and the proceeds, which were \$10.00, was pretty well accounted for.

L.O.O.F. Meeting
 A large number turned out on Monday evening to the regular meeting of number of the Beaverton Lodge No. 188 L.O.O.F. Very special business was transacted, and another cottage is being built at Rhin Park, by Mr. Edwards of Coquitlam.

United Church W.M.S.
 The United Church W.M.S. held their June meeting at the home of Mrs. Geo. Vane, Simpson Street. The meeting was very successful, being organized by Miss Charlie Williamson read the devotional leaflet, "The Memorial Service."

Mrs. Wells led in prayer and Mrs. Vane gave the introduction to the study for the month, "Christians in Canada." Mrs. Angus gave a splendid talk on early days of immigration to Canada. Speaking of the new arguments in favor and against Order of Immigration to this country, Mrs. Wells of the educational evangelist and medical work were carried on among the orientals by the W.M.S. Mrs. Alice White told of the work of the Oriental homes in Vancouver and Victoria.

Mr. John Calder and Mrs. J. MacCrimmon gave papers on Temperance, Mrs. Angus Grant read a Temperance story and Mrs. J. Smith sang the beautiful solo, "My Father's House."

In the absence of the Auxiliary president, Mrs. H. Chambers, Mrs. John Calder occupied the chair during the business. Mrs. Oline Edwards presided at the piano.

Mrs. Walter Chrysler gave a "Parable Tale" to her friends on Tuesday afternoon. Although Mrs. Chrysler has lived only a short time in the city, her many friends are sorry that they cannot meet her week with her husband and son, to make their home.

Complete Course
 Mrs. Helen Davis, daughter of Mr. J. E. Davis, 10 E. Main Avenue, is to be congratulated on her success in completing her course as "Cookbook."

At the reading service Mr. J. H. Hill was assisted by Rev. W. J. Jones, of St. Andrew's United Church. The subject taken by Rev. Hill was from John 11 and was, "Will you do no thing?" He reminded everyone that God has been led out of many things today, without Him the centennial service would never have come to pass and we need the "God of Abraham" today.

The church auditorium of St. Andrew's United Church, Millbrook, was the scene of a happy event on Friday evening, June 22nd, when a large congregation of about thirty friends gathered to pay their respects to Rev. W. J. Jones and his family before their departure to Canada, where they will take over the charge of St. Andrew's and his family who are expected here on July 10th. Rev. J. Blum was chairman for the occasion. He was assisted by Rev. Dr. Lang, of Coquitlam, who led in the prayer. A choir made up of the St. Peter's choir opened the program with the old favorite, "Will you do no thing?"

The young people, Frances McDowell and Gordon Jones, also sang a very sweet "For Richard," their mother being "Ye Beasts and Beasts." The little girl, Elizabeth, and singer, Letha Rowland, gave us her rendition "The Little Girl May-Joe."

On Sunday morning, June twenty-first, the Sunday School of St. Andrew's United Church, Millbrook, was assisted by the congregation for a musical service and the fact will serve to be preached by their pastor, Rev. W. J. Jones who will shortly leave for Coquitlam. Mr. Fred Phillips, Sunday School Superintendent, occupied the chair for the opening exercises and led in the responsive readings. "Following Jesus Christ, Lord," was the theme of the service. Mrs. J. H. Hill, of Coquitlam, was known person, "Jacques Carter," this was followed by a solo "Dear Lord, Pardon Me" by Mr. W. J. Jones.

The poem, "Gladness Great of Desires," was given by Gordon Jones and much appreciated. Rev. W. J. Jones gave the benediction upon the text, fourth chapter of 1st Corinthians, "We are the body of Christ, His members, of His flesh, and of His bones, united together in the unity of the Holy Spirit." He then spoke very lovingly of leaving Millbrook where they had spent such a happy time. He thanked God for the financial assistance of the church and also the choir and leaders in the church organizations and most of all for the general good will of the congregation and prayed for future visitors in the years to come.

CONROCK, June 26 — The life of a Conrock, N.J., popular young sportsman, was crushed on Monday at 10:30 a.m. Monday morning by the huge steel wheels of a submergence crane when he attempted to cross a fractured horse and driver.

Mr. Myron J. Wren, 37, of 1000 E. Main St., was driving a 1954 Buick Wildcat wagon, hauling the car to a contractor behind. While on the road, he stopped to speak to an acquaintance, a young lady of the district.

While chatting, the reins held loose in his hands. When the horse took fright and started to run away, he attempted to stop the horse by throwing down in the road and the wheel of cultivator passed over his head, fracturing his skull and killing him almost instantly.

The accident took place about three and a half miles eastward of Downsville near the Maple Leaf cheese factory, not far from his home.

In the late twenties Mr. Fox was running a farm of his own. He was a member of St. Luke's Roman Catholic Church at Downsville and also a member of the Maple Grove Society. His father
